Bookings for your corporate team building event, birthday party, bachelor(ette) party, or whatever else you dream up will be available starting mid June.

Contact:  
[info@goYTM.ca](mailto:info@goYTM.ca) with Bubble Ball in the subject line.

Q: What are the minimum number of players required?

A: None. See costs below.

Q: Can I rent the bubble balls and use them elsewhere?

A: You can, however you take full financial responsibility for them and we reimburse you when they come back safe and sound.

Q: What size is the field?

A: It is 45' x 90', roughly the size of a basketball court, but grassy.

Q: What should I wear?

A: Come in sport clothing! You will be running so appropriate shoes are needed. Not spiked soccer shoes.

Can you help me coordinate everyone's crazy schedules to find a good time for my group?  
No, but trust us, everyone has the same problem! We recommend group scheduling using Doodle.com. It's free and makes it easy to find a time that works for everyone.

Q: Do I have to blow up the bubbles myself?

A: Nope. We have machines for that, and we will inflate them prior to your start time.

Q: Do I have to know how to play soccer?

A: No. The referee will explain the rules, and it's easy to learn.

Is it ok if I have long hair?

Yes, but you will need to put your hair up. If you roll upside down, which happens frequently during games, your hair could get caught between the bubble and the ground. Ouch.

Q: Is the deposit refundable?

A: After we hold your spot it reduces the amount that we give to others. Because of that we do not allow for refunds.

Q: How can we put a deposit down?

A: You can place a deposit by visa, mastercard, cash or cheque. The deposit is calculated at 25% of your overall event cost (without tax).

Q: Is Bubble Ball a mixed gender sport and is there an age requirement?

A: Yes, (to a point) anyone can play this sport. Please have your participants review and sign the waiver prior to coming to save valuable bubble ball time! Please see the minimum height, weight and lifting ability required in the waiver. If you have any health concerns please

Q: Do I need to bring any equipment?

A: The game requires bubbles, ball, line markers, and goals. We provide all of these. Some people bring their own knee pads for extra comfort/protection and to make it easier to stand up without using their arms. As with any outdoor athletics, it is a good idea to bring extra clothes, sunscreen, water, snacks and a towel.

Q: Can I have alcohol at my event?

A: Call for details – you will require a permit and party alcohol liability. Liquor cannot be served to anyone who is playing or will be playing, but with planning there is a way to do it. Liquor cannot be served during museum opening times. You could just go meet at a bar afterwards!
