Donor Questionnaire

Yukon Transportation Museum is dedicated to the preservation of cultural artefacts that reflect Yukon's transportation history. We allocate significant resources to the exhibition and storage of items in our care. It is very important for us to learn as much as possible about each artefact.

Additional information will provide us with meaningful information for our collection files, exhibition signage and educational programming. By answering some or all of the following questions, you will help us build a story about the artefact that you are donating. Thank you!

How old is the artefact? How did you estimate its age?

How long have you owned it?

Please describe the condition of the artefact. Have you repaired it or changed it in any way?

When it was actively used, was it part of everyday life or a special event?

How was the artefact used? For how long?

Who used it? Who might have used it?

Do you have any personal memories or stories about the artefact that you would like to share with the museum? What are they?

If the artefact is a photograph or painting, please describe the subject of the image – identifying any people, places, dates, etc.:

Please let us know if there any documents (photographs, letters, receipts, newspaper articles, etc.) related to the item that you would like to include in the donation, or would allow the museum to copy.
